

Sanidad THERMAL F.I.R. WAVE LAMP

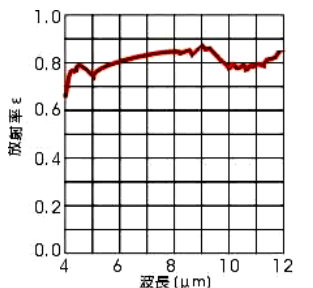

MODEL: AP-2018 (US FDA 510K: K020462)

- ☉ Hands-Free, Safe Zone **FIR Moxa** Therapy (**Palm-Chi** 15cm-diameter direct exclusive beam over most body joints).
- ☉ Best **inner-heating** Bio-Ceramics FIR (Far-Infrared Ray): Durable, Safe, Invisible Light
- ☉ Best Resonance Absorption FIR: concentrated at 8~14 μ , **peak at 9 μ Chi wavelength.**
- ☉ **Hand-made** bio-ceramic thermistor bulb, blocking regular surface heating IR and **Economical 150-watt** power consumption.
- ☉ Applicable for both home and clinic use.

BIO-Energy Medicine:

- ✓ **Improving the Reaction of Physical Oxidation and Reduction** – minimizing excessive fat accumulation and improving health;
- ✓ **Thermo-Regulation Effect** – saving energy and maintaining body nutrition;
- ✓ **Improving Respiration and Draining out Hypodermic Fat** (be aware of water replenishment) – achieving exercise effect, health, and beautification;
- ✓ **Activating Physical Mechanism and Function** – exciting hormones and enzyme, draining out heavy metal, toxin, and sediment in body;
- ✓ **Reinforcing Energy** – activating metabolism, reinforcing the use of nutrition, and minimizing fatigue;
- ✓ **Physiotherapy for Muscle and Nerve disease** – generating positive impact on inosine, lactate, and liver, erasing tension and unknown chagrin & pain;
- ✓ **Suppressing Cancer Cells** – terminating the sabotage of malign protein;
- ✓ Killing pain and easing inflame – **Activating Immune System**;
- ✓ **Reviving Reproductive Mechanism** – easing bruise, curing sore and reviving neuro-fiber in order to regain consciousness and muscular mechanism.

紅外線材料放射率分佈圖,量測溫度77° C

SPECIFICATIONS:

- **Main body:** Height- 78cm, Weight- 5kg, silver/wood color, (optional silver wheel base).
- **Bio-ceramics** Far-Infrared emitting range: 5 μ ~ 50 μ
- Far-Infrared lighting area: **15cm diameter.**
- Power Source: AC 110V / 60Hz (220V/50Hz)
- Power Consumption: **150 watt**
- Adjustable timer control: 1 hour/max.
- Adjustable heat control with heat protection designs.
- User manual, 2-year warranty.

(Clinical application & add-on roller stand)

Indications FOR FIR Therapy:

Body Systems	FIR functions	Indicated Healing
Homoio-Thermostat	Subcutaneous heat effects	Temperature disorder
Circulatory	Ionized water molecules and facilitated blood circulation	Fatigue, Anemia, Diabetes, hypertension Hemorrhoid
Nervous	Drained out toxic sediment that suppressed nerves	Tension, paralysis Chagrin, Insomnia
Musculo-skeletal	Vitalized cells; Oxidation and Reduction	Arthritis, Bruise, Sore, Muscular dystrophy, Stiffness
Lymphatic	Vitalized hormones and reproductive mechanism	Allergy, rheumatism, Immuno-deficiency
Respiratory	Facilitated oxidation and reduction	Asthma, obesity
Digestive, Excretory	Vitalized enzymes; energized organs	Inappetence, Indigestion, Diarrhea Constipation
Urinary	Deep heat and Metabolism	Cystitis Polyuria, Dysuria, Prostate problems
Dermal, Perspiratory	Ascendant hypodermic heat	Petechia, Freckle

WARNINGS:

Do not apply the device under the following conditions:

- ☒ Contagious diseases ☒ Acute disease ☒ Hemorrhage ☒ Fever ☒ Pregnant woman's abdominal region and waist.
